

Learn on the Go with the Transparent Language Mobile App

Here is a quick and easy walk-through on how to access your free Transparent Language mobile app included with your Transparent Language Online account. Just follow these simple instructions, and you can be learning on the go in no time!

Step 1

Log in to your Transparent Language Online account by entering your username and password and clicking the “Log In” button.

Once you’re logged in, click on the “Go Mobile” button in the top right part of the screen.

Step 2

Review the instructions on how to use Transparent Language’s mobile application. Then click on the “Get mobile User Name” button.

This will give you a code to plug into the mobile application, giving you free access as part of your Transparent Language Online account.

Step 3 for iOS

Go to the App store, search for “Transparent Language”, and download the **Transparent Language** mobile app.

(Note: iPad users will need to switch the App Store’s dropdown menu from “iPad Only” to “iPhone Only” to find the app.)

Step 3 for Android

Go to the Google Play store or Amazon Appstore, search for “Transparent Language”, and download the **Transparent Language** mobile app.

Once your app is downloaded and installed, open it and input your **User Name and Password** that you got from the Go Mobile popup in Transparent Language Online.

System Requirements:
iOS 4.3 or higher and Android OS 2.3 or higher.
