

CCPL Wireless Printing

For Android Users

For Android users - If you are a first time user:

1. Go directly to <https://smartalec.smartalecprint.com/smartalec?id=clarkcountyoh>.
2. Select “First Time User.” Enter your Library Card Number and PIN. Enter your e-mail address. Select “Submit” to create a Smart Alec Print account.
3. Go to the Play Store on your android device. Search “SmartALEC” in the search box. Select “Install” to install SmartALEC @ Your Library app to your device. *Note: The SmartALEC app is only compatible with Android OS 4.4 & newer (KikKat, Lollipop or Marshmallow).*
4. Sign in with your Library Card Number and PIN. Next, agree to the Smart Alec’s Library Policy. Select “Accept.”
5. Select “Enable SmartAlec.” You’ll be redirected to your Settings app. Under Printing, turn on SmartALEC print services.
6. When you’re ready to print, select Print and change printer to SmartAlec Printer. Select Print. At this point, any print job you submit to the "SmartALEC Printer" can be retrieved at the Print Release Station.

For Android users - If you are a returning user:

1. Open the SmartALEC app.
2. Sign in with your Library Card Number and PIN and accept the library policy.
3. When you’re ready to print, select Print and change printer to SmartAlec Printer. Select Print. At this point, any print job you submit to the "SmartALEC Printer" can be retrieved at the Print Release Station.

Uninstalling SmartALEC app from your device:

If you no longer need Library Wireless printing and are ready to uninstall the SmartALEC app from your device. Follow these steps:

Android Users: Go to your device's Settings app. Select Apps or Application manager. Select the SmartALEC app and select Uninstall.
